

# Monthly Newsletter

## June 2018

### Important Dates:

June 12: Workshop for teachers with Dr. Reem Mouawad

(Title: Process Implementation and Evaluation)

June 15: Eid Al Fitr (Tentative Date)

June 22: Graduation ( Scientists classroom)

### Summary of the learning experience in June:

#### "Shadow Puppet Show"

Our little ones are cordially invited to the "Bella & the Wiggly Hands" show. Here's the catch, Bella has many tricks up her sleeve and she's ready to entertain your child through her interactive and dramatic play techniques using her best trick, shadow and light.

#### "Let's Go To the Beach"

Flip-flops, check! Buckets, check! shovels check! We are beach ready! And, we're also ready to immerse our tiny fingers in magical sand for a beach play pretend fun here in our playground!

#### "S for Smoothies"

Let's fight the summer heat by making the freshest smoothies in town!

### Note:

Dr. Lara Khatib & Dr. Reem Mouawad from the Education Department will be visiting the ECC weekly for research purposes.

### Home- School Partnership:

You can be part of our adventure by giving your child a chance to bring something from home (suggested materials: Fish – Sea Shells – Puppets – Summer Fruits)

Reading daily to your children at home can be an incredible learning and bonding experience for you and your child.

### Learning Corner:

- Shadow & Light
- Sea Animals
- Beach
- Summer Fruits
- Forests

### Songs +Videos

- My Shadow Song.
- Animals in the Ocean.
- Let us go to the Beach.
- Fruit Song – The Singing Walrus.
- Under the sea.

### Aquarium Month

### Tip of the Month:

Enjoy the summer weather with your kids outdoors! Take your child on a fishing experience to one of the beaches! Keep talking to your child about the wonders of the sea, the magical world of the sea; animals, seashells, waves and sand.
