

Step Together Association

in partnership with the

Department of Education at LAU

cordially invite you to attend a launching event of our inclusion initiative entitled

“Thinking Together: Embracing Diversity in Education”

The program includes:

- A welcome word by Dr. Mona Nabhani, Chair - Department of Education, highlighting the importance of such collaboration in education and its effect on improvement at schools and personal professional development of teachers.
- A word by Dr. Reem Mouawad, head of the consultancy team, emphasizing the importance of creating inclusion initiatives and the consultant's role in supporting the mission and vision of inclusion.
- A briefing of the training topics, outlining goals and purpose of the training program.

This meeting will bring together a group of principals and coordinators. It will include interactive presentations aiming at developing awareness of educators' responsibilities toward all students by means of evidence-based strategies needed for handling inclusive classrooms and reaching a diverse group of learners.
